

# Pet Memorial Card Program - HONOR YOUR CLIENT, HONOR THEIR PET

Remembering a client through the grieving process is vital to your continued relations with that client. The MVMF has given considerable thought to helping you deal with client grief and has developed the Pet Memorial Gift Program to help you handle this challenge.

## Share Their Grief—Win Their Heart

The Pet Memorial Card Program works to benefit your practice while remembering your clients in their time of grief. The benefits to you include:

- Helps you deal with the difficulty of client grief
- Serves to strengthen the bond you have with the client, making them a client for life.

### Testimonials:

*"It is with much humility that I try and capture with words how very special the MVMF Pet Memorial card was for me to receive. My beloved 4-legged companion, 'Bella' was diagnosed with lymphoma and after 6 months of treatment, her final day had come. With a heavy heart, our special connection ended. The timeliness and sincere thoughtfulness of this memorial from two dear friends could not have meant more to me at this very difficult time. The card and donation helped me focus on Bella's unconditional love and all my treasured memories of her. For this, I will be forever grateful and comforted."* Karen Miller

### What benefit does your gift provide to the Foundation?

The Pet Memorial Gift Program helps fund all of the Foundation's efforts, including underwriting the cost of continuing education, educating the public about veterinary medicine. Veterinarian students also benefit from scholarships sponsored by the Foundation.

### How does the Pet Memorial Card Program work?

Simply purchase and have on hand Memorial Cards or inserts to put inside existing cards. There is a message indicating your show of concern for their loss and that a donation to the MVMF was made in honor of their pet. Sign the card and send to your client. Anyone who has lost a family member, loved one, or beloved pet may find a memorial gift to be a comforting gesture.
